Decision Brief**

Type of Request: NG9-1-1 Funding Award Amendment	Date Submitted: January 28, 2021
PSAPs: Salem	Amount of Request: \$63,838.08
Staff Recommendation: Approval	

1. Briefly define the problem/issue:

Recurring costs were not included in funding request. NGS staff is requesting that the funding award for Salem be amended to include recurring costs. If approved by the Board, the amount of the revised funding award would be \$378,492.91. This revised funding award includes \$63,838.08 in additional funding for recurring costs.

2. Background (include important dates):

When Salem submitted their PAL they did not include recurring costs of \$63,838.08 and it was not noticed before the Board approved their funding on 11/12/20. This error was caught by staff on 1/28/2021. Therefore, staff is seeking the award amendment on behalf of the locality.

3. Major Considerations:

None.

4. Recommended action:

Ask PGC to concur with staff's recommendation and recommend approval of the amendment request by the 9-1-1 Services Board at their next meeting.

5. Alternatives to recommended action:

None.
